

Due to ongoing concerns from the COVID-19 Virus and in an effort to limit exposure for our customers and employees we would please ask our customers to:

Please utilize [Hooperwater.com](https://www.hooperwater.com) for online payments and new service requests. Please conduct any other business via email at info@hooperwater.net.

Or by phone at [801-985-1991](tel:801-985-1991).

In case of an emergency please call 801-985-1991.

We are dedicated to serving our customers in this difficult time. As always, we realize the responsibility we have to provide clean drinking water to our customers. We are doing our part to help reduce exposure to customers and employees, while continuing to operate the water system. Therefore, our office is closed.

However, District staff is available during normal business hours by appointment.

Thank you for your patience and cooperation.
